EXTENDED DAY QUICK FACTS

ALL USERS DO NOT need to let extended day know if your child is coming on any normal school day. Some teachers do ask to let them know next to their class if they are going to stairs or extended day, but we do not require it.

ALL USERS DO need to sign up for any special days like in-service days and holidays.

Program Format: K-1 Student will go to check in at the Extended Day room at 3:00, 2-5th grade will be met in their respective halls at 3:00 - 3:15 and taken to the designated classroom for snack until 3:45. After this time all extended day users will be taken outside and then given a choice to do a project inside at 4:15 or stay outside. All of Extended day will be brought back in to the extended day room at 5:15 when it’s still light out or during the months that are darker, students will be taken in around 4:50.

You will find what room 2nd grade or 3-5th grade will be in at 3:00-3:45pm on the board outside of the Extended Day room or with Joan in the Main Office.
