

September 22nd In-Service Day

Extended Day will kick off this year's first in-service day by exploring the four elements earth, wind, fire, and water. Students will craft their own candles, discover how water and fruits can create a tasty popsicle, and make crafts relating to wind and earth. When students are not creating and discovering they'll enjoy recess, free play, and exploration time with extended day staff. See the schedule below for more details!

7:00-9:00	Morning Extended Day
9:00-10:00	Snack/ Recess
10:00-12:00	AM Rotations: Candle Making/ Lantern Craft/ Juice Bar
12:00-1:00	Lunch/Recess
1:00-3:00	PM Rotations: Pet Rock Craft/ Fruit Popsicles/ Kinetic Sand
3:00-6:00	Snack and Regular Extended Day

If you have any questions please feel free to email Extended Day Manager
