

Spring Break Schedule

April 4th- 8th

Your child will need lunch and water bottle every day.

Monday

April 4th will be Art Day! In the morning we will go on an art walk through the Wallingford neighborhood and stop by the Wallingford playfield for lunch. Back at Meridian we will have a crafts fair with Kassi making magnet board collages, Sara building your very own giant puzzle, and Jessica making stuffed monsters. Let's get crafty!

Tuesday

We will have a food extravaganza all day! Kids will be making pasta salad, and pudding pies for snack to eat in the afternoon. We will have a midday juice bar and concoct our own specialty juice drink. At the end we will master the art of sushi making at the candy sushi bar. Get your taste buds ready for a *sweet* day!

Wednesday

April 6th will be all about exploring nature and the fun and excitement it can bring us! We will travel on the Meridian School buses to Carkeek Park to experience the natural beauty of our coast and forest areas. Please have your child dress appropriately for the weather (Warm clothes, good walking shoes, etc.) Waterproof shoes are advised as we will be checking out the tide pools. We will be back to school by 3. Lace up your adventure boots and let's get exploring!

Thursday

Thursday will be Science Day! We will be exercising our curiosity and thirst for knowledge in all things science. Our scientists will be making slime and goo, learning about different environments, and participating in an egg drop. They will test their hypothesis in a smell test and get to see a special explosion! So put on you safety goggles, it's time for fun!

Friday

Get ready to swim! We will be taking the Meridian bus to the Federal Way Community Center to swim in the leisure pool. Before we swim we will play and have lunch at Steel Lake Park. Please be sure to pack a swimsuit and towel. We will be back to Meridian by 3. Let's jump in!
