Dear Group One Families,

This week we'll be celebrating a **Quest for Adventure** at Summer Quest here at The Meridian School. I will be away this week, but one of my good friends, **Austin**, will be subbing for me. After meeting in the gym with the whole camp, we will gather in Room 6 every day. For adventure week we'll be going to Bhy Kracke Park in Queen Anne for crazy hide and seek, heading to Vashon Island to explore some of the cool spots there, and on Friday we'll be exploring with dinosaurs at the Burke Museum. On campus we'll be going on treasure hunts, doing some fun crafts and putting on our adventurer hats!

**Please remember that on Field Trip days we need some extra preparation time before leaving so have your child to camp by 9:00 so we can leave promptly to allow for travel time.**

**Meet the Group 1 Team...**

**Austin Marsh** has worked in the summer quest program since 2013, and will be an associate faculty teacher in first grade for the coming school year at Meridian. Spending time in nature, making art, and spending time with his dog are some of his favorite things. He especially likes being part of the experiences that kids have on field trips, and looks forward to jumping in to this summer and having fun!

My name is **Sammy** and I am so excited to be working with Group 1 this Summer! I am going into my sophomore year at Westmont College, a small school in Santa Barbara. I study Communications at school and want to be an event planner when I graduate. I love making crafts, reading and traveling. I cannot wait to spend the summer going on adventures and doing fun projects with Group 1!

## **IMPORTANT REMINDERS!!!**
