Dear Group 1 Families,

Welcome to the second week of The Meridian School's Summer Quest Program! This week is "**Get Crafty**". We will busy doing crafts in the classroom and exploring some of the cool museums in our area. Every morning we will meet in **Room 6** in the south annex of the Good Sheppard Center, since Monday is a holiday Summer Quest will not meet until Tuesday. Wednesday we will be spending our time on campus, but the rest of the week we will be exploring fun and intriguing places in our community and beyond. During Get Crafty week we will be taking the ferry to Bainbridge Island to explore the Kids' Discovery Museum, heading to Tacoma to the Museum of Glass where we'll learn more about glass as a medium, and finally we'll tour the Paul McCarthy exhibit at the Henry Art Gallery at UW. It's going to be a great week!

Meet the Group 1 Team...

My name is **Emily** and this is my first year leading a Summer Quest group. In the past I was a researcher in education, a special education teacher in a high school, and most recently a substitute elementary school teacher. I have a PhD in education and a Masters degree in Special Education, but my current (and most favorite) project is my 4 year old daughter. She's helping me get really prepared for all the field trips and projects this summer. I am so excited for all of our upcoming adventures!!!!

My name is **Sammy** and I am so excited to be working with Group 1 this Summer! I am going into my sophomore year at Westmont College, a small school in Santa Barbara. I study Communications at school and want to be an event planner when I graduate. I love making crafts, reading and traveling. I cannot wait to spend the summer going on adventures and doing fun projects with Group 1!

IMPORTANT REMINDERS!!!

- Note the parent key code for entrance into our building posted in the hallways.
- **Please apply sunscreen** to your child each morning prior to arriving at camp. If you would like them to use a certain brand, send it to camp in their backpack.
- **Comfortable clothing and sensible shoes** are required. We do lots of walking on field trip days. Please NO FLIP FLOPS!
- **Backpacks with a water bottle and sack lunch.** We provide a morning snack at 9am, and afternoons at 3pm.
- **Swimsuit, towel, and water shoes (recommended)** are needed for days including water activities. This will be noted with stars*** on our schedule.
- Extended day care is included for Groups 1, 2, and 3 at 7am, and until 6pm.
