## Dear Group 2 Families,

Welcome to the first week of The Meridian School's Summer Quest Program! This week's theme is "The Super Universe", and we will learn about heroes in comics and in real life. Mondays and Wednesdays we will be in Room 5 in the South Annex of the Good Shepard Center. We will read comic books, create our own heroes and hero costumes, do acrobatics (guest teacher Kevin Fogassy) and play fun games together. On Tuesday we will visit the Food Bank, a Comic Book Store, library, and Wallingford Park. On Thursday we will see a movie "Big Hero 6" at Beacon Hill and play at the Beacon Mountain Spray Park. On Friday we will get a chance to meet an actual fire fighter at the Northgate Library, and swim at the Northacres Park Wading Pool.

### Meet the Group 2 Team:

**Emmi:** This is my first summer at the Meridian Summer Quest. I moved to Seattle a year ago from Finland, which is why I speak with a funny accent. I'm a primary school and music teacher, and have been working full time for 6 years. Before that I worked for years at various summer camps. In Seattle I work as a substitute teacher, and teach Finnish to kids and adults. I'm also just finishing my yoga teacher training. I'm really excited about this Summer Quest! We will have so much fun together!

**Bryan:** This will be my fourth year at the Meridian Summer Quest. I look forward to being in group two and working with your child(ren). My favorite field trip is going to the beach. Nothing beats the combination of sun, water, and fun! During the school year I am an English Language Learner Coach at Kent Elementary. Before that, I have over 15 years of experience working with students in various settings from early head start to high school. I look forward to getting to know your child(ren) and all the wonderful memories we will create together.
