The Meridian School Facilities

The Meridian School is located at the Good Shepherd Center in Wallingford. Both the main building (N. Annex) and the S. Annex house the school. The spacious, landscaped grounds around the building are tended by Historic Preservation Authority of Seattle. The park is maintained by the Seattle Department of Parks and Recreation.

We share the Good Shepherd Center with other facilities such as: Alliance Françoise, Wallingford Senior Center, The Washington Water Trails, PEPS, Seattle Tilth, Snow Leopard Trust, the Neo Art School and much more. The Good Shepard Center serves as a model for community use of an historical structure.

Summer Quest Program dutifully holds to the mission to provide a well-supervised program that offers something for everyone. Our program is designed to encompass interests of all kinds so every participant finds something enjoyable. We are committed to making a program that is safe (physically and emotionally), where children can bloom, flourish, and have lots of FUN!! With the Summer Program, our aim is to:

- Provide an environment that fosters personal growth and self-esteem.
- Encourage socialization and group building skills.
- Create an environment of respect for oneself, others, and the environment.
- Provide a Multi-cultural Curriculum that encourages an anti-bias community.
- Involve parents and families as a key part of the students' day, on and/or off campus.

Behavior Management and Discipline

Summer Quest Program staff role is to facilitate activities that stimulate children's physical, intellectual, and social drives in a positive way. In addition, they are here to guide a child through difficult situations that may occur while children are in the program. The staff model appropriate behavior and treat each other and the students with respect. We strongly believe that children are genuinely good individuals, but sometimes make poor choices to effectively solve problems. The Summer Program implements components of Responsive Class room and Second Step Conflict Resolution methods as a way to assist the children learn to solve their conflicts more positively.

Summer Quest Program maintains a student behavior expectation of respect and cooperation toward other students and adults. If a problem behavior occurs communication with the parent(s) will occur and the incident is documented. If negative behavior persists the Director of the Summer Program, Parent, and Child will meet to discuss the options that will best address the situation. Most important is the consistent communication of program expectations between the parents and the Summer Program staff to the child.

There are **NO REFUNDS** for absences/cancellations after **June 1 2019**, unless The Meridian School cancels any part of the Summer Quest program. Emergency/Disaster Notices

In the event of an emergency/disaster, the Summer Quest will put a message on the school phone and website- www.meridianschool.edu indicating the plan for parents. **In an emergency event, local land lines may be down or slow at best. We have a local Peer School contact, University Child Development School at 206-547-8237 and an Out -of-Area Peer School contact to call with an update of our Summer Quest situation. Please call Wasatch Academy at 1-435-462-1400.** Please listen to your local radio station for information. The Meridian School will make our own decision about weather related delays or closures.

Please note the Emergency/Disaster Plan posted on the Parent Information Board.

Enrichment Classes

This summer we offer you over 25 enrichment classes that run during the summer. Each class is operated by an intendant contractor that set their own tuition fee, age range, and camp size. Children that are enrolled in these classes will spend the entire enrichment class time in that class, then, if they need before or after care they will rejoin the regular Summer Program at those times. The Enrichment Class instructors in general are contracted through The Meridian School, but are not Meridian School employees. The fee for both A.M. and P.M. care for enrichment class participants is \$120/child/week. The fee for either A.M. or P.M. care is \$70/child/week.

This summer we are offering À la Carte P.M. Extended. You can select this if you do not need P.M. Extended care for the entire week. The fee for À la Carte P.M. Extended is \$30 per day per camper. This option is only available for P.M. from 3-6 p.m.

If a camper has not been sign up for P.M. Extended Care and is not picked 15 minutes after the end of an Enrichment Camp the credit card on file will be assessed the À la Carte P.M. Extended rate of \$30.

Field Trips

During the Summer Program, day campers are taken on weekly field trips. Some field trips will require the use of public transportation/or other school activity vehicle, while other field trip destinations are only a walk away. Field trips include a variety of destinations in, and around the Seattle area. Each group will have a mix of "field trip" and "in" days.

A **tentative** schedule has been provided below (remember, this schedule is subject to change):

	Group 1	Group 2	Group 3	Group 4	Group 5	Group 6
Monday	In	In	In	In	Out/Bus	Out/Bus
Tuesday	Out	Out	Out/Bus	Out/Bus	In	In
Wednesday	In	In	Out	Out	Out	Out
Thursday	Out/Bus	Out/Bus	In	In	Out	Out
Friday	Out	Out	Out	Out	In	In

Each Group Leader will post a weekly activities schedule on the Parent Board. Additional copies will be available on Friday afternoon for you to take home as well posted on the Summer Quest page of the website over the weekend. Field Trip locations are decided by the Group Leaders. Generally speaking, Groups 1-4 will take field trips within the city and immediate outlying environments (within 1 hour out). Whereas, Groups 5 and 6 may take field trips a little further out of the city to take advantage of more natural settings.

On scheduled "in" days, students will be on campus all day. Therefore, please make medical and/or other appointments on these days as pick up will be less complicated. Please note: we are unable to make arrangements to take children to and from field trips at special times because of appointments. **On all field trips, it is important that children wear walking shoes, and be able to easily carry all of their belongings. Please, we request that the children NOT wear flip-flops to Summer Quest on any days.**

Most field trips will promptly depart between 9:30-10:00am, and we will not be able to wait for late arrivals. Therefore, **please note the importance of children being on campus on time by 9:15. Field trips will generally be back to The Meridian School no later than 3:00 p.m.**

If your child's group has already left on a field trip upon your arrival, they may stay with the "in" group that day. This procedure is ***strongly discouraged***, as each group's activities are based on the children's age and development level. Staffing and supplies are also based on the number of children registered for a particular group.

The Meridian School does not provide transportation to or from home, or an escort service. Students may not walk home on their own, as we require a parental/guardian signature to sign out your child.

While on a field trip, or using the Meridian playground, all children must wear Meridian School identification which will be provided by the program -- for example, a Meridian School colored lanyard or a Summer Quest T-shirt.

This procedure will help to ensure the safety and security of children. Furthermore, it is a requirement of DEL.

Sick Child Policy

On the advice of health experts and DEL licensing guidelines children with any of the following symptoms will NOT be permitted to attend or remain in our care (we will call you):

1. Fever of 100 F or higher and also have one or more of the following:

If the Summer Program staff or the Director, have concerns about the child's ability to safely return to the program-we reserve the right to request a note from the child's health care provider.

We will ask that ill children, as described above, not attend Summer Qiest as they...

- are unable to take an active part in our daily program
- may expose others to illness
- are at risk for being exposed to other diseases/illness when their resistance is low.

When a child is excluded from attending the Extended Day program, the staff will make note of this action in our Accident/Illness Log.

Caring of Ill Children:

1. Separate ill children from others
2. Notify parent/guardian to pick up child as soon as possible
3. Illness will be recorded in the Accident/Illness log
4. Some communicable diseases must be reported to the local health dept.

Late Pick Up Policy

Parents who pick up children after 6:00 pm, will be assessed a late fee of \$1 per minute per child, and you will be billed for this charge. This charge is assessed as it allows us to compensate those summer program employees who are having to stay late, as well as to cover liability costs. Please note that the Director reserves the right to remove children from the program who are habitually picked up after 6:00 p.m.

If a camper has not been sign up for P.M. Extended Care and is not picked 15 minutes after the end of an Enrichment Camp the credit card on file will be assessed the À la Carte P.M. Extended rate of \$30.

Parent Participation is always welcome! If you would like to help or share a particular talent with the children, please speak with your Group Leader. You are welcome to visit any time, please inform Summer Quest staff before your visit.

We strongly encourage you to speak with your Group Leader daily about your child's activities. Regular communication between you and the staff will benefit your child and the program. The Meridian Playground:

Our program makes use of the playground, which is maintained by the Seattle Department of Parks and Recreation. All groups will also use the larger field (behind the N. Annex) for outdoor activities. The Summer Program benefits from the convenience of having this great playground behind the Good Shepherd Center. In addition, we will often use the large, grassy field for free play, and organized games.

Hours:

The core program activity day runs from 9:00am to 3:00pm. In addition, we offer morning and extended day hours at no extra charge! Morning care runs from 7:00am to 9:00am; and Extended Care runs from 3:00pm to 6:00pm.

All aquatic activities are supervised by certified lifeguards. If you are not familiar with any of the staff, please be sure to introduce yourselves!!
