

Meridian Extended Day Spring
Enrichment Brochure 2021

April 20-June 4

REGISTRATION

We will be returning to the original enrichment class format of 1 class per week taking place over seven weeks*. Please have look at the offering below and visit the [spring enrichment enrollment website](#) to register. The registration deadline will be the end of day April 14. All classes will begin the week of April 19.

*Some providers have decided to offer multiple classes per week.

Enrichment providers will reach out directly to families with class information and links for online learning.

To help ensure that the classes are not canceled due to low enrollment and to support our community of small business enrichment providers, some classes may include students from outside schools.

Enrichment class providers determine the minimum and maximum enrollment numbers. Classes will be filled on a first-come, first-serve basis, and are subject to cancellation due to low enrollment. [Program Director, Jessica Urdaz-White](#), will contact you directly if cancellation impacts your child's registration.

QUESTIONS?

Please direct questions regarding class offerings and registration to Extended Day Program Director, [Jessica Urdaz-White](#)

Monday

Classes April 19-June 7, no classes May 31 (Memorial Day)

Bags & Accessories Machine Sewing Class with Little Hands Creations

\$219, 1-5 Grade, 3:30-5 p.m.

Create your own accessories! In this class students will learn how to create their very own, one of a kind bags and accessories including a Fox Purse, Owl Backpack, Toolbelt, Bowtie, Scrunchy, Kitty Ear Headband, and more! During the first class, students will be able to vote on the projects they want to make, and then each week we will tackle one project as a group and work step-by-step together. This class is great for returning sewers who are ready for more complicated customizable projects. All supplies, including a sewing machine, will be available for pick-up from our no-contact pick-up shelf outside our (Seattle) Fremont Studio prior to class or delivered to your doorstep at an additional fee. We can ship the supply kits for those outside of Seattle, but we are not able to ship sewing machines. Some tools and equipment will need to be returned after the classes are complete *Please note that the first class of this session is mandatory, please contact Chelsea Cook if your child is unable to attend* *This class has a prerequisite of an LHC machine sewing class*

Machine Sewing for New Students with Little Hands Creations

\$219, 1-5 Grade, 3:30-5 p.m.

We are so excited to debut our Beginner Sewing curriculum ONLINE! Grab your favorite supervising adult and get ready to learn the fundamentals of machine sewing! New students will learn machine safety and standard sewing techniques like turning corners, making knots, and zig-zag stitches before moving on to our prerequisite project, the Velcro pouch and Tote bag, and beyond! When able, we will merge the New and Returning Machine Sewing classes to create one group after our new students get through the beginner curriculum. This class is a pre-requisite to our standard machine sewing class. All supplies, including a sewing machine, will be available for pick-up from our no-contact pick-up shelf outside our (Seattle) Fremont Studio before class, or delivered to your doorstep at an additional fee. Some tools and equipment will need to be returned after the session is complete. For students outside of the Seattle area: we can ship supply kits but are not able to provide a sewing machine for the class.

Knitting and Loom Weaving with Little Hands Creations

\$219, 1-5 Grade, 3:30-5 p.m.

Learn the art of knitting! Knitting is calming, relaxing, and keeps us centered because of its repetitive rhythmic movements. Beginners will start slowly with finger knitting, before moving on to our handy Knifty

Knitter Looms. Projects include bookmarkers, hats, headbands, pouches, and more! All supplies will be available for pick-up from our (Seattle) Fremont no-touch pick-up shelf before class or delivered to your home for an additional fee. Shipping is also available for \$10. Loom and hooks will need to be returned after the camp is complete. Please email us at <mailto:littlehandscreations@gmail.com> with any questions.

Fiber Arts & Crafts with Little Hands Creations

\$219, 1-5 Grade, 3:30-5 p.m.

Expand your imagination and get creative! This new online class will dive deeper into some of our favorite crafting techniques and materials. We will be exploring the multiple different ways that we can apply one technique or craft to create different effects and finished projects. Themes will include Fabric batik, macramé, hand sewing, paper crafts and more! All supplies will be available for pick-up from our (Seattle) Fremont no-touch pick-up shelf prior to class or delivered to your home for an additional fee. Shipping is also available for \$10. Some tools and equipment will need to be returned after the camps is complete.

Beginner Minecraft Survival with BEAM Experiences

\$132, 1-3 Grade, 3:30-4:30 p.m.

Start your epic Minecraft journey and master the basics! In this class, we will teach students how to use the controls, build structures, gather food, collect materials, and craft tools & armor, and more! As we learn how to play, we will embark on quests to explore a custom world and earn rewards.

The beginner class is designed for kids that are new to the game, still learning all that Minecraft has to offer, and/or need help with the topics listed above.

Because Minecraft is an "open-world" game with endless ways to play, this introduction will help students discover their own play-style. While FUN is the focus of this session, we will emphasize that teamwork and sharing are important rules to follow during class.

We will be using Zoom voice chat to communicate during play.

Prerequisites:

1. There are a few requirements to play Minecraft online. Here's what you will need: 1. Minecraft Bedrock Edition - The title screen should just say "Minecraft." Unless you see "Minecraft Java Edition" or "Education Edition" on the title screen, you have Bedrock Edition. Bedrock Edition is NOT AVAILABLE for macOS, Linux, and older versions of Windows.
2. A Microsoft Account - Minecraft uses Microsoft account Gamertags to connect players. Registration is free.
3. You may have to purchase a subscription if your student is using a video game console. Windows 10, iPad, iPhone, and Android players do not need a subscription. - Xbox One - Requires an Xbox Live Gold membership - Nintendo Switch - Requires a Nintendo Switch Online membership - PS4 - requires a PlayStation Plus membership. We will send instructions about joining our Minecraft world after signing up. Please send us an email if you have any questions!

Online Coding Club with Creative Coding

\$250, 1-5 Grade, 3:30-4:45 p.m.

Our clubs always feature “The Creative Coding Method.” Our goal is to be the very best at teaching computer programming to kids in grades 3-5. “Founder Dad” Eric Fredrickson developed this method to teach and inspire kids in this age group through four core principles: Fun, Creativity, Teaching kids to teach themselves, and Persistence. Tuesday

Classes April 20-June 1

Machine Sewing for Returning Students with Little Hands Creations

\$219, 1-5 Grade, 3:30-5 p.m.

Machine Sewing is BACK! Experienced students will be able to continue learning, creating, and sewing in our new online classes! Returning students will pair up with their favorite supervising grown-up in every class of this online session. During the first class, students will be able to vote on the projects they want to make then each week, we will tackle one project as a group, and work step-by-step together. Projects for this class are our most inclusive and span our entire pattern library including stuffed animals, games, clothing, accessories, and bags. All supplies, including a sewing machine, will be available for pick-up from our no-contact pick-up shelf outside our (Seattle) Fremont Studio before class, or delivered to your doorstep at an additional fee. We can ship the supply kits for those outside of Seattle, but we are not able to ship sewing machines. Some tools and equipment will need to be returned after the camps are complete. This class is currently open to students that have taken a Little Hands Creations Machine Sewing class in the past. If you have not taken an LHC machine sewing class, please check out our listing for "New Machine Sewing Students"

Machine Sewing for New Students with Little Hands Creations

\$219, 1-5 Grade, 3:30-5 p.m.

We are so excited to debut our Beginner Sewing curriculum ONLINE! Grab your favorite supervising adult and get ready to learn the fundamentals of machine sewing! New students will learn machine safety and standard sewing techniques like turning corners, making knots, and zig-zag stitches before moving on to our prerequisite project, the Velcro pouch and Tote bag, and beyond! Fashion Camp with Little Hands Creations

\$250, 1-5 Grade, 3:30-5 p.m.

Get ready for Fashion Camp- Pandemic Edition! For this session, students will be tapping into their fashionista alter egos by designing and sewing their very own garment! All students will start by

learning how to read a pattern and creating a simple jogger pant project. After that, we will guide them through the construction of a complimentary garment. Without the ability to work side-by-side with our students, we will be focusing more on construction, pattern reading, and sewing techniques. On the final day of class, there will be an online zoom runway show. Please note this class has a prerequisite of a beginners sewing class from Little Hands Creations. Due to class session length, the curriculum may vary. Materials including a sewing machine, patterns, and notions will be available for pick up before camp from our no-contact pick-up shelf in Fremont or delivered to your home for an additional fee. Each student's fabric will need to be purchased before camp based on the specifications of our garments. We will reach out to you with those details before class. Some tools and equipment will need to be returned after the camps are complete.

Knitting and Loom Weaving with Little Hands Creations

\$219, 1-5 Grade, 3:30-5 p.m.

Learn the art of knitting! Knitting is calming, relaxing, and keeps us centered because of its repetitive rhythmic movements. Karate-X Martial Arts with Karate-X

\$216, K-4 Grade, 4-4:35 p.m.

Join Karate-X Online for awesome zoom classes that are, disciplined, challenging, and fun! Time to get away from our desks, burn energy and learn some new skills! Karate-X has been teaching in the Puget Sound for over 20 years, with Martial Arts programs specifically designed for elementary-age students. Our professional instructors know how to motivate kids! Belt rank testing is held at the end of each session, giving students goals to aim for and recognition of their accomplishments. Classes are for both beginners and experienced students. Karate-X Online will challenge, get us on our feet, and is simply fun! Join Karate-X Online!

Wednesday

Classes April 21-June 2

Sports & Games Machine Sewing with Little Hands Creations

\$250, 1-5 Grade, 3:30-5 p.m.

Who says sewing isn't competitive?? In this class, students learn to make their own soccer balls, hacky sacks, tic tac toe set, and more! What better way to stay entertained than to not only play a game but make it! During the first class, students will be able to vote on the projects they want to make, and then each week we will tackle one project as a group and work step-by-step together. This class is great for returning sewers who are ready for more complicated customizable projects. All supplies, including a sewing machine, will be available for pick-up from our no-contact pick-up shelf outside our (Seattle) Fremont Studio prior to class, or delivered to your doorstep at an additional fee. We can ship the supply kits for those outside of Seattle, but we are not able to ship sewing machines. Some tools and equipment will need to be returned after the classes are complete

Please note that the first class of this session is mandatory, please contact Chelsea Cook if your child is unable to attend.

This class has a prerequisite of an LHC machine sewing class.

Sleepover Sewing with Little Hands Creations

\$250, 1-5 Grade, 3:30-5 p.m.

Pillow forts, movie marathons, giggles, and cozy blankets... Get ready for a sleepover! In this class, we will get to make our very own sleepover essentials including a Cupcake Pillow, Quillow, Journal, Scrunchie, Kitty Ear Headband, and more (TGIF not included- ask your parents!) During the first class, students will be able to vote on the projects they want to make. Then each week, we will tackle one project as a group, and work step-by-step together. All supplies, including a sewing machine, will be available for pick-up from our no-contact pick-up shelf outside our (Seattle) Fremont Studio prior to class, or delivered to your doorstep at an additional fee. We can ship the supply kits for those outside of Seattle, but we are not able to ship sewing machines. Some tools and equipment will need to be returned after the classes are complete.

Please note that the first class of this session is mandatory, please contact Chelsea Cook if your child is unable to attend.

This class has a prerequisite of an LHC machine sewing class.

American Girl Doll Sewing with Little Hands Creations

\$250, 1-5 Grade, 3:30-5 p.m.

Welcome to the world of American Girl Doll couture! In this class, students will create their very own runway-ready American Girl Doll tops, dresses, pants, and more. While patterns are sized to fit American Girl Dolls but feel free to tailor them to fit your favorite doll or stuffy! Dolls don't have to have all the fun! During the first class, students will be able to vote on the projects they want to make, and then each week we will tackle one project as a group and work step-by-step together. This class is great for returning sewers who are ready for more complicated, customizable projects. All supplies, including a sewing machine, will be available for pick-up from our no-contact pick-up shelf outside our (Seattle) Fremont Studio prior to class, or delivered to your doorstep at an additional fee. We can ship the supply kits for those outside of Seattle, but we are not able to ship sewing machines. Some tools and equipment will need to be returned after the classes are complete

Please note that the first class of this session is mandatory, please contact [Chelsea Cook](#) if your child is unable to attend.

This class has a prerequisite of an LHC machine sewing class.

Lego® Build Along - Dragons & Dinos with Bricks 4 Kidz Greater Seattle

\$125, K-2 Grade, 3:30-4:15

Join us for a virtual Lego build-along! Do you have a jumble of Lego bricks at home? Put them to good use and share your creations! Each week, we will build a different scaly beast, such as Toothless from How to Train Your Dragon, Dratini from Pokemon, or a dinosaur from Jurassic Park. You can follow along with the teacher, but feel free to get creative and mix it up! Let's make some Dragons & Dinosaurs! We will use Zoom to communicate and share our builds during class. What you'll need: A small-medium bin of mixed Lego pieces is best. Each Monday, we will send a list of pieces you can prepare ahead of time to use for our builds, but don't worry if you don't have exact matching pieces! Please send us an email at abenami@bricks4kidz.com if you have any questions.

Clothing & Accessory Machine Sewing with Little Hands Creations

\$250, 1-5 Grade, 3:30-5 p.m.

Does your wardrobe need a little freshening up during the stay-at-home order? We've got you covered! Little Hands Creations is excited to debut our brand-new Clothing and Wearables Machine Sewing class! During

the first class, students will be able to vote on the projects they want to make, and then each week we will tackle one design as a group and work step-by-step together. Projects will rotate each session to include new clothing, seasonal wearables, and our most popular designs. Projects will include Pajama Pants, 2 types of skirts, the Fox scarf, fingerless gloves, and two types of hats. All supplies, including a sewing machine, will be available for pick-up from our no-contact pick-up shelf outside our (Seattle) Fremont Studio prior to class, or delivered to your doorstep at an additional fee. We can ship the supply kits for those outside of Seattle, but we are not able to ship sewing machines. Some tools and equipment will need to be returned after the classes are complete.

Please note that the first class of this session is mandatory, please contact **Chelsea Cook if your child is unable to attend.**

This class has a prerequisite of an LHC machine sewing class.

Online Coding Club with Creative Coding

Each student's fabric will need to be purchased prior to camp based on the specifications of our garments. We will reach out to you with those details prior to class. Some tools and equipment will need to be returned after the camps are complete.

Creepy Crawly Machine Sewing with Little Hands Creations

\$250, 1-5 Grade, 3:30-5 p.m.

Snakes and spiders and ghosts, oh my! Sewing isn't just about clothes and bags, it's fun critters too! In our Creepy Crawly Machine Sewing Class students get to try their hand at creating a variety of different critters and crawlers. Some creepy, some cute, and all totally awesome. Projects include Bat, Spider, Bee, Snake, Jellyfish, Turtle, Worm Neck Pillow, Sea Monster, and Mouse. During the first class, students will be able to vote on the projects they want to make, and then each week we will tackle one design as a group and work step-by-step together. Projects will rotate each session to include new clothing, seasonal wearables, and our most popular designs. Projects will include Pajama Pants, 2 types of skirts, the Fox scarf, fingerless gloves, and two types of hats. All supplies, including a sewing machine, will be available for pick-up from our no-contact pick-up shelf outside our (Seattle) Fremont Studio prior to class, or delivered to your doorstep at an additional fee. We can ship the supply kits for those outside of Seattle, but we are not able to ship sewing machines. Some tools and equipment will need to be returned after the classes are complete

Please note that the first class of this session is mandatory, please contact **Chelsea Cook if your child is unable to attend.**

This class has a prerequisite of an LHC machine sewing class.

Hand Sewing with Little Hands Creations

\$250, 1-5 Grade, 3:30-5 p.m.

Learn the basics and beyond in this Hand Sewing class! We have converted some of our most popular machine sewing projects just for this program and alongside our existing hand-sewing projects, we will focus on different hand stitching techniques and embroidery to create and decorate. Project options include the Owl Phone Case, Button Dice, Tic Tac Toe, Hacky Sack, Felt Wallets, and more! One of our favorite parts about our in-person classes is that kids get to pick their projects, so we want to keep that autonomy rolling! Students will vote on which projects they want to make first and then we will tackle one project as a group, and work step-by-step together. All supplies will be available for pick-up from our (Seattle) Fremont no-touch pick-up shelf prior to class or delivered to your home for an additional fee. Shipping is also available for \$10. Some tools and equipment will need to be returned after the camps are complete.

Intermediate Minecraft Survival with BEAM Experiences

\$150, 3-5 Grade, 3:30-4:30 p.m.

Create shelters, survive the night, and level up with other brave kids! In this class, help the team by creating structures, mining for valuables, crafting tools, exploring caves, and defending against mobs. We will explore a custom world with new quests and surprises, visit the Nether, and end the session by battling the Ender Dragon! The intermediate class is designed for kids that have experience playing Minecraft and can do these things without any help: collect food, mine for resources, craft tools & armor, and build shelters. This online play session is meant to encourage teamwork and simply having FUN in Minecraft! The only rule is no "griefing" - we're a team! We will be using Zoom voice chat to communicate during play.

Prerequisites:

1. There are a few requirements to play Minecraft online. Here's what you will need: 1. Minecraft Bedrock Edition - The title screen should just say "Minecraft." Unless you see "Minecraft Java Edition" or "Education Edition" on the title screen, you have Bedrock Edition. Bedrock Edition is NOT AVAILABLE for macOS, Linux, and older versions of Windows.
2. A Microsoft Account - Minecraft uses Microsoft account Gamertags to connect players. Registration is free.
3. You may have to purchase a subscription if your student is using a video game console. Windows 10, iPad, iPhone, and Android players do not need a subscription. - Xbox One - Requires an Xbox Live Gold membership - Nintendo Switch - Requires a Nintendo Switch Online membership - PS4 - requires a PlayStation Plus membership. We will send instructions about joining our Minecraft world after signing up. Please send us an email if you have any questions!

Online Coding Club with Creative Coding

\$250, 1-5 Grade, 3:30-4:45 p.m.

Our clubs always feature "The Creative Coding Method." Our goal is to be the very best at teaching computer programming to kids in grades 3-5. "Founder Dad" Eric Fredrickson developed this method to teach and

inspire kids in this age group through four core principles: Fun, Creativity, Teaching kids to teach themselves, and Persistence. Learn more at [creativecoding.com](https://www.creativecoding.com)!
