

**SUMMER
QUEST**
THE
MERIDIAN
SCHOOL

DAY CAMP

Application deadline is June 1st

Welcome back to the Meridian School Summer Quest Day Camp program!

Day campers will be in a group of about 12 and adventure off campus for exciting field trips three times each week! Each week will have a fun theme!

The "core activity day" is from 9 AM - 3 PM.

The Summer Quest facility hours are 7:30 AM to 5:30 PM.

We request your child be here by 9 AM. Always send a lunch and healthy beverage with your child.

The Day Camp weekly price is \$515. The price during the week of July 2 will be \$412 as the campus will be closed July 3 in observance of July 4.

Extended Care is included for day camps.

The total cost for all weeks must be paid in full at registration. There will not be any refunds after June 1st for Day Camp unless The Meridian School has to cancel a program. Please see the parent handbook for more details.

Special requests for group assignments are accepted on our online registration form. We will make every effort to accommodate a request for group assignments up to June 1st. Please be aware that group requests are not guaranteed.

Call Jessica Urdaz-White at (206) 632-7154 x334 or visit our website for an application or more information.

SCHOOL'S OUT FOR SUMMER!

Week 1, June 22-26 | \$515

That's right! This week kicks off 7 weeks of no school and just fun! Campers will enjoy themselves by getting crazy, being messy, and having a blast! We will swim, visit parks, and just plain have fun! School's out for summer!

INTO THE WOODS!

Week 2, June 29-July 2 | \$412

Summer Quest will be closed July 3

Grab your backpacks and hiking boots! Campers will have the opportunity to explore some of the Seattle area's wooded parks and play spaces. When campers aren't outside, they will learn about the forest around us and the creatures that live there. We will go on hikes to search for Sasquatch and the Pacific Northwest Tree Octopus. Let's go into the woods!

DAY CAMP

MYSTERIES OF THE UNIVERSE!

Week 3, July 6-10 | \$515

Pure energy, limitless possibilities, and invisible wonders surround us every day. Some of these questions are simple to answer, like how massive machines work or why the seasons change. Other questions have more mysterious explanations. If you love brain teasers and wondering “why?” “Mysteries of the Universe” week will have you buzzing with ideas and finding incredible solutions.

SNACKING IN SUMMER!

Week 4, July 13-17 | \$515

We will spend the week exploring and learning where food comes from and how it is made. Also, we will explore the history of food production and restaurants in Washington State. The on-campus culinary projects, plus our field trips to local food-centric locations, will be a recipe for fun and learning, all the while tasting old favorites and discovering new treats along the way! Bring your imagination and get ready to dig in. You won't want to miss it!

SANDCASTLES AND SUN!

Week 5, July 20-24 | \$515

Sandcastles and Sun is the week for you if you love beaches and beating the summer heat! Campers will learn about our wonderful waterways, the crazy cool creatures that we share the beach with, and of course, sandcastle construction! So grab your swimsuit and sunscreen, let the building begin!

TERRIFIC TINKERERS!

Week 6, July 27-31 | \$515

Build it! Break it! Redesign it! Build it again! This week, campers will have a chance to explore their handiness. Campers will check out the interesting structural designs around the city and get a chance to use what they learn to build projects of their own! Let's build it!

LET'S PLAY!

Week 7, August 3-7 | \$495

Run, daydream, make-believe, build, get dirty ...within a minimally structured yet highly engaging setting is the focus this week. Play is learning. During the week we celebrate the importance in a child's development to have the freedom to play, play, and play some more! Outdoor and indoor games will be bountiful, and we will go out in search of the bounciest, silliest, and friendliest of activities.

Create. Learn. Make Friends. Explore. Have Fun! Being busy has never been so much FUN!
